

SWARM Robotics Website Permission Form

SWARM Robotics maintains an active website. The purpose of our website is to share information on what we are doing with team members, other First Robotics teams, parents and community. We will often post images and video of what we are working on to help describe who we are.

As a team Member we ask for permission to post images and first names of all SWARM team members (Students and Mentors). If you have any concerns or would like more details please do not hesitate to contact me.

John Van Why
SWARM Mentor
